Anything you might need for note taking. Please wear thick jeans and strong boots for trimming.
Your horse, feed and feed containers. Please bring a suitable horse that is calm, used to going out, trained and physically able to lift legs and stand quietly. This means often stallions and horses under 4 are not suitable. The length of hoof should be for a maintenance trim ie: a horse that has been getting trimmed with 3-4 weeks growth. Bring your horse's hoof boots if you have some.
- CLEANING UP-** We require you to clean up after your horse in and around the yards.
- EXTRA PERSONS-** We do not allow extra persons attending the venue ie. (drivers/strappers/children) If it is necessary, please consult with us before booking for special consideration. Waiver forms will need to be completed and some fees may be applicable.
- TRIMMING TOOLS:** **Bring your own trimming tools. However, we do have aprons and tool kits available to use at the clinic.** We also have a supply of **new tools** available for purchase at the clinic (see attached list). **It is best to avoid very cheap tools** as they are often hard to use and will not be sharp. Good tools make the job so much easier.
- FEES:** **\$330.00** for two days full participation with or without horse. Please bring your horse where possible, as the main practical part involves case studying each horse. **Horses are only required on the second day.**
(GST INCLUSIVE)
- REFUND POLICY:** Cancellations – all fees, less \$50, will be refunded if a medical or vet certificate is provided within seven days preceding the workshop. Alternatively, participants may transfer to another workshop if position is available. A full refund will be issued should it be necessary for a clinic to be cancelled.
