WHAT TO BRING: Anything you might need for note taking. Please wear thick jeans and strong boots for trimming. Your horse (Full participants only) feed and feed containers on Sunday only. Please bring a suitable horse that is calm, used to going out and trained and physically able to lift legs and stand quietly. This means often stallions and horses under 4 are not suitable. The length of hoof should be for a maintenance trim ie: a horse that has been getting trimmed with 3-4 weeks growth.

PLEASE NOTE:
CLEANING UP- We require you to clean up after your horse in and around the yards.

TRIMMING TOOLS: We have aprons and tool kits available to use at the clinic. However we recommend that you pre purchase your kit for us to bring, options are listed on next page. If you have some tools bring your own. We also have a supply of **new tools** available for purchase at the clinic, again recommend pre purchase as we will have limited space due to flying to Townsville, **It is best to avoid very cheap tools** as they are often hard to use and will not be sharp. Good tools make the job so much easier.
