WHAT TO BRING: **Your meals.** Morning and afternoon tea is provided. Full kitchen facilities available on site for your convenience. Anything you might need for note taking. Please wear thick jeans and strong boots for trimming. Your horse, feed and feed containers. Please bring a suitable horse that is calm, used to going out, trained and physically able to lift legs and stand quietly. This means often stallions and horses under 4 are not suitable. The length of hoof should be for a maintenance trim ie: a horse that has been getting trimmed with 3-4 weeks growth. Bring your horse's hoof boots if you have some.

CLEANING UP- We require you to clean up after your horse in and around the yards.

EXTRA PERSONS- We do not allow extra persons attending the venue ie. (drivers/strappers/children) If it is necessary, please consult with us before booking for special consideration. Waiver forms will need to be completed and some fees may be applicable.

TRIMMING TOOLS: **Bring your own trimming tools. However, we do have aprons and tool kits available to use at the clinic.** We also have a supply of **new tools** available for purchase at the clinic (see attached list). **It is best to avoid very cheap tools** as they are often hard to use and will not be sharp. Good tools make the job so much easier.

FEES: **\$450** for two days full participation with or without horse. Please bring your horse where possible, as the main practical part involves case studying each horse. **Horses are only required on the second day.**
(GST INCLUSIVE)

REFUND POLICY: Cancellations – all fees, less \$100, will be refunded if a medical or vet certificate is provided within seven days preceding the workshop. Alternatively, participants may transfer to another workshop if position is available. A full refund will be issued should it be necessary for a clinic to be cancelled.
